How the approval-first process works

1

Reserve

Share your business and offer direction.

2

Fit review

TILM checks category fit and availability.

3

Proof

A placement proof is prepared for you.

4

Approve

You approve the proof before any invoice.

5

Payment

Invoice follows approval; payment must clear.

6

Production

Final art is assembled and checked.

7

Print + mail

The order is authorized when ready.

PRINT-READINESS RULE

Printing is authorized when cleared, proof-approved revenue covers the verified all-in shipped-card cost and the final artwork is ready — not at a fixed sold-slot count.

Put your business on the founding card.
